

iovera^o

stopping pain... cold

The iovera^o treatment performed prior to knee surgery helps reduce pain after surgery.

For more information, visit:

**[GAREY ORTHOPEDIC
MEDICAL GROUP]**

[GAREY AVENUE]
[POMONA, CA, 91767]
[(909) 593-7437]

Non-opioid nerve block

Provides immediate and long-lasting relief of chronic and perioperative pain¹

Let the iovera^o treatment be part of your surgery preparation, so you can focus on your recovery.
